

PLANTHERA

Your Path to Natural Wellness

Gluco Care

When skin's metabolism slows down, sugars lingering in the blood vessels attach to collagen, leading to its breakage or disarray, Gluco Care removes metabolic glycation substances and improves cellular metabolic capacity, bettering your skin conditions.

Active Ingredients

White Camellia	Red Grape
Astaxanthin	Anthocyanins
SOD	Pyrroloquinoline
Mulberry Leaf	Quinone
Cistanche	Pterostilbene
Reishi	White Kidney Bean

Recommended Dosage

Take before or after breakfast, once daily, 2 capsules each time.

Benefits

- ✓ Clear glycation byproducts and improve cellular metabolism.
- ✓ Alleviate wrinkles, enlarged pores, dryness, roughness, and dullness caused by glycation.

Target Group

- ✓ Sweet treat lovers who want to eat desserts and milk tea without harming their skin.
- ✓ Carb lovers who can't live without carbs but are afraid of rough, oily skin.
- ✓ Refined people over 30 whose metabolism slows down after 30 and need to control their sugar intake.
