

PLANTHERA

Your Path to Natural Wellness

Emu Oil Cream

Emu oil is extracted from the fat sacs on the back of the emu and possesses powerful anti-inflammatory properties and excellent skin penetration. It has remarkable effects in therapeutic health care and beauty skincare.

Active Ingredients

Emu oil, known as "liquid soft gold" for its natural anti-inflammatory properties, is combined with menthol for deep penetration, rapid absorption, and immediate effect.

Benefits

- ✓ Relieve tendinitis: soothe muscle and tendon fatigue and stress.
- ✓ Repair sports injuries: alleviate muscle and ligament pain caused by overexertion and improper warm-up.
- ✓ Alleviate osteoarthritis symptoms: repair joint damage or slow degenerative changes.
- ✓ Moisturize dry skin and prevent scar formation.

Recommended Use

3-4 times a day,
1ml each time.

Target Group

- ✓ Sports enthusiasts
- ✓ Office syndrome
- ✓ Age-related muscle and tendon strain
- ✓ Students
