

# Eye Care

**A best-selling eye care product from Canada, containing multiple effective ingredients for long-lasting eye protection and moisture.**

## Active Ingredients

<b>Lutein</b>	<b>Beta-Carotene</b>
<b>Arctic Daisy</b>	<b>Marigold Flower</b>
<b>Zeaxanthin</b>	

## Recommended Dosage

**For maintenance and no discomfort:** Take one capsule per day with a meal. Morning intake is most effective.

**For discomfort (such as dry eyes, excess eye discharge, myopia, blurred vision, presbyopia, glaucoma, macular degeneration, etc.):** Take two capsules per day with meals. Morning intake is most effective.

## Benefits

- ✓ Relieve vision problems such as glaucoma, cataracts, and myopia.
- ✓ Reduce eye dryness and restore eye clarity.

## Target Group

- ✓ Teenagers with high myopia: reduce frequent eye use and prevent the rapid increase in prescription strength.
- ✓ Office workers with screen fatigue: relieve dryness and redness from prolonged screen time.
- ✓ Middle-aged and elderly with presbyopia: combat eye aging and cloudiness, improve declining and blurry vision.
