|                    |                     |
|--------------------|---------------------|
| Glutathione        | Artichoke Extract   |
| Resveratrol        | Angelica Dahurica   |
| Vitamin C          | Poria Cocos         |
| Schisandra         | Typhonium Giganteum |
| Astaxanthin        | elevATP             |
| Vitamin D3         | Ancient Peat        |
| Bilberry           | Apple Fruit Extract |
| Licorice           | SOD                 |
| Olive Leaf Extract | Oyster Extract      |

## Benefits

- ✓ Enhances the body's oxidative stress response and immune system.
- ✓ Combats radiation and eliminates free radicals. Reduces wrinkles and prevents skin aging.
- ✓ Enhances cellular regeneration. Maintains body balance and reduces the accumulation of aging cells, protecting cellular and DNA health.
- ✓ Reduces fibroblast apoptosis, promotes collagen formation in fibroblasts, and reduces tyrosinase activity.
- ✓ Integrates whitening, skin beautification, anti-glycation, and anti-aging properties.
