

# NMN 30000 NAD+ Booster

**NMN is a direct precursor to the anti-aging coenzyme NAD+. It promotes DNA repair, energy metabolism, and gene silencing, thereby achieving healthy aging.**

## Active Ingredients

- ✓ **β-Nicotinamide mononucleotide (NMN)**  
500 mg per capsule, purity 99.9%

## Recommended Dosage

**Adults:** take 1 capsule daily or as directed by a physician

## Benefits

- ✓ Supports energy metabolism and healthy brain function.
- ✓ Improves aging symptoms, boosts immunity, and enhances bodily functions.
- ✓ Has a clear reparative effect on Type I and Type II diabetes.
- ✓ Relieves male prostatitis with definite reparative effects on the urinary system.
- ✓ Has a clear reparative effect on infertility.
- ✓ Exhibits significant reparative effects on lung fibrosis.
- ✓ Rapidly promotes the production of a large amount of dopamine in the body.
- ✓ It has a definitive reparative effect during the recovery period for chronic coronary heart disease, cerebral thrombosis, stroke, and other cardiovascular and cerebrovascular diseases.
